The Rolling Stones did get their satisfaction and so could you if you choose rock and roll caterers Jacks Kitchen for your event.

“ The food was spectacular, the staff wonderful, and the party has been much talked about since. ”

Chef Director Di earned her stripes working in kitchens for 15 years for some of the country's most revered chefs, including Marco Pierre White.

Di and her team add a very personal touch to each unique enquiry with their response tailored carefully to your needs. They approach every event, in any venue, with creativity and innovation.

Di believes strongly in knowing the provenance of her ingredients: “We have a good relationship with all our suppliers and love to show them off when we get the chance. We are proud to say that all our menus are entirely animal cruelty-free, including cage free, free range eggs and grain fed meat. All of our fish comes from MSC sustainable sources.”
